Star Building Systems' Master Builder Awards Program is designed to recognize Star Builders for excellence in design and construction and to encourage professionalism in the building industry. Star Builders, utilizing Star quality products, set the standard for metal building construction across the country. Star's Master Builder Awards recognize those Builders for their accomplishments.

Star Building Systems is not liable for damages incurred as the result of improper erection procedures. Star buildings are erected by independent contractors who are not agents of Star. Descriptions and specifications contained herein were in effect at the time this publication was approved for printing. Star reserves the right to discontinue or change specifications and/or designs without notice and without incurring obligation.

For more information about how Star can add to your success,  
call 1-800-879-7827 or visit [www.StarBuildings.com](http://www.StarBuildings.com).  
Join the team you know you can depend on.
